Living the Creed

Dear Illinois District Optimists,

It is an honor to serve as your District Governor this year – the year that we will celebrate the 100th anniversary of the adoption of our Optimist Creed. Because of this historical event, I have chosen the theme “**Living the Creed**” as the theme for the year.

Have you ever noticed there are 10 lines to the Optimist Creed? Ten succinct and thought-provoking statements that when looked at individually are a guide for both greater success and happiness in life. During the 2021-22 club year I encourage you and your club to talk about one of the Optimist Creed statements asking each other – what does it mean to you, how can I live my life espousing this optimistic trait, what is one thing I can do each day to live closer to this statement, etc. I assure you that by “**Living the Creed**” this club year you’ll see opportunities others miss. You’ll inspire the people around you, and being optimistic will encourage you and your club members to bring out the best in others. After all, the first purpose of Optimist International is to develop optimism as a philosophy of life utilizing the tenets of the Optimist Creed.

So this club year, don’t just routinely say the creed, try “**Living the Creed.**” Make it part of your daily life, not just something you say at club meetings.

My goal this club year is to physically visit each club and I look forward to seeing our Optimists in action. Let me know when you are having an event...I’ll do my best to attend and support your club in any way I can. I’m very excited to work with each of you this year and learning about all of the wonderful projects and programs being conducted around the district. Thank you for all you’ve done and will accomplish this year.

Promise Yourself---

Carol Schlitt

Illinois Optimist Governor 2021-22

Fellow Optimists:

I wish to thank you for this wonderful opportunity you have given me to serve as the 2021-2022 Optimist International President. Your passion, sincerity, and commitment of Optimism in your communities reemphasizes the belief I have that Optimist International is truly the best service organization in the world.

While walking thru the grocery store a few years ago, I happened past the magazine rack – yes, there are still real magazines on the shelves. The cover was entitled “The Art of Optimism” and featured 34 people who, thru their artwork, are changing how we see our world. So I purchased the magazine. One certain article jumped off the pages, and I’d like to share with you Oscar Winner Filmmaker Del Toro’s thoughts: ***“Optimism Is radical. It is the hard choice, the brave choice. And it is most needed now, in the face of despair – just as a car is most useful when there is a distance to close. Otherwise it is a large, unmovable object parked in the garage. Optimism is our instinct to inhale while suffocating, our need to declare what needs to be in the face of what is. Optimism is not uncool; it is rebellious and daring and vital.”*** Powerful words printed almost 3 years ago, but more relevant today than ever.

The 2021-2022 “Theme” for the year puts our focus on **OPTIMISM** with a dedicated commitment to increasing our brand awareness, open communication to membership, and **Net Growth for the year +212**. We have the opportunity to celebrate the 100th anniversary of the adoption of the Optimist Creed and the Optimist purposes, and again, it is as relevant today as it was back in 1922. By being Optimists, Together - We all share in that responsibility of serving the youth in our community by developing a philosophy of Life, promoting Optimism, patriotism, and respect for law.

I want to thank each and every member for your decision to being an Optimist and look forward to serving you this year, along with “First Dude” Ken. I encourage you all to stay optimistic - despite the challenges our world has thrown in front of us - because I know that **being an Optimist IS Cool, a bit rebellious, daring and vital to our successes.**

In Optimism,

Patsy Garner

Optimist International President
2021-22

Greetings to My Fellow Optimist of the Mighty Middle America Region:

I'm excited to serve you in the capacity of Vice President for the Mighty Middle America Region (Indiana North District, Indiana South District, Illinois District, East Missouri District, West Missouri District and Kansas District). It is an honor to be an Optimist and a privilege to serve each of the 7,319 (As of 9/27/21) Optimists, who volunteer in our Middle America Region as beacons of light and hope in our organization and our world.

My primary focus in my term will be system development with our organization, region, districts, clubs, and individual Optimists. I believe that system failing is the primary reason for missing the mark and our goals. For example, everyone's goal is to be successful. Every team sets out with the goal of being the best and winning the championship for whatever endeavor they participate in.

Our goals are about the results we want to achieve. Systems are the processes that lead to those results. Goals are good for setting a direction, but systems are best for making progress. For example, if you are a coach, your goal might be to win a championship. Your system is the way you recruit players, manage assistant coaches, and conduct practice.

My focus as VP will be to help us identify, develop, and consistently practice optimal Optimist habits to help you and your team to be successful.

In Sincere Optimism,

Lister Florence

Illinois District Policies

Adopted 2011 District Convention

Amended August 18, 2021

I. Policy Administration

- A. Implementation: It is the duty of the Governor and the Executive Committee to insure the implementation of these policies.
- B. Amendments:
 - 1. A Policy Review Committee shall be appointed by the Governor. This committee shall be comprised of at least five persons, to include the Governor-Elect, the Parliamentarian, and at least one past Governor.
 - 2. Proposed changes to the District Policies should be presented to this committee not later than 45 days prior to the District Convention and shall be voted upon for approval at the annual District Convention. If, however, proposed changes or amendments to proposed changes are introduced after the 45-day period, such changes shall require a 2/3 vote for approval.
- C. Distribution: Distribution of the Illinois District Policies shall be done annually as part of the Illinois District Directory.

II. District Administration

- A. Board of Directors
 - 1. Purpose: The Board of Directors functions as the main legislative body for the Illinois District.
 - 2. Membership: The Board of Directors is comprised of the following members:
 - a. Governor
 - b. Governor-Elect
 - c. Two immediate Past Governors
 - d. Lt. Governors
 - e. District Secretary-Treasurer
 - f. Assistant Governor(s)
 - g. Club Presidents
 - 3. Rights and Privileges: Only these members may make motions, debate and discuss motions on the floor, and vote at the general assembly of the quarterly district meetings. The presiding officer may recognize other members when a motion is not on the floor if he/she so desires but is not required to do so. However, at the District Convention all accredited delegates are afforded the same privileges as the Board of Directors. The District Board shall annually determine the District Depository and signatories.
 - 4. Meetings
 - a. A Board of Directors meeting shall be held in each quarter of the Optimist year. It is recommended that these meetings be

held not later than during the second month of each quarter, except that the first quarter meeting should be held in October. Zone meetings or combined Region/Zone meetings may replace the Second Quarter District Meeting as long as the Zones and/or Regions conduct training and business sessions during this quarter as authorized by the Governor.

- b. Arrangements for District Board meeting facilities and meals shall be made by a committee appointed by the Governor. Program and all arrangements are to have the approval of the Governor.
- c. Spouses and children are encouraged to attend these meetings. It is the responsibility of the host committee to arrange for spouses' and children's entertainment.
- d. The District would encourage Presidents of all clubs to attend District Meetings. However, should the President be unable to attend the Board of Directors meeting, an appointed delegate for that club would be allowed to speak and act as the President, in the conduct of the business coming before the Board of Directors, providing the delegate produces written proof of his/her appointment to the District Secretary-Treasurer.

B. Executive Committee

- 1. Purpose. The Executive Committee serves as the main advisory/administrative body of the Illinois District.
- 2. Membership. The Executive Committee is comprised of the following members:
 - a. Governor
 - b. Governor-Elect
 - c. Two immediate Past Governors
 - d. Lt. Governors
 - e. District Secretary-Treasurer
 - f. Assistant Governor(s)
- 3. Rights and Privileges. The District is in support of open meetings for the Executive Committee. However, only members of the Executive Committee may make motions, debate and discuss motions on the floor, and vote. This does not prevent the Executive Committee from receiving verbal or written reports from individuals or committees at their request. The Executive Committee shall fill any vacancies in any office in the District.
- 4. Meetings. A minimum of four (4) Executive Committee meetings shall be held during the Optimist year. It is recommended that they be held immediately prior to the District Board meeting. If the Zone and/or Region option is chosen by the Governor for the second quarter, a teleconference with at least 51 percent of the

Executive Committee on line may replace the Second Quarter Executive Committee meeting.

C. Appointed Positions

1. Assistant Governors. The Assistant Governor(s) may be appointed for one year by the Governor-Designate, subject to the approval of the Executive Committee.
2. A District Secretary-Treasurer shall be appointed annually by the Governor-Designate, subject to the approval of the Executive Committee. He/she shall have full voting rights on the Board of Directors and Executive Committee. The District Secretary-Treasurer shall not serve more than three consecutive years.
3. The Sergeant-at-Arms and Parliamentarian are appointed members of both the Executive Committee and the Board of Directors. However, they serve only in an advisory capacity. They may not make or vote on motions on the floor.
4. The Governor shall appoint all current committee chairs and may call for quarterly meetings.

III. District Convention

- A. Annual Convention. A convention of the clubs of the District shall be held annually during the month of August, but no later than September 30.
- B. Convention Program. The convention shall embody the following features:
 1. A Lieutenant Governors-Elect training session, unless held at a separate time.
 2. A quarterly Executive Committee meeting and a meeting of the Board of Directors.
 3. A "Club Administrative Conference" attended by newly elected club and District officers. Club and District committee members are also encouraged to attend.
 4. The election of Governor-elect for the coming year.
 5. A Governor's Banquet and Installation of Officers with the International Representative as speaker.
 6. An "All Optimist Breakfast".
 7. A Memorial Service should be held for those members who have died during the prior year.
 8. The program shall have the approval of the Governor prior to printing.
- C. Convention Administration. The convention is the District Convention. The Governor-Elect is chairperson of the convention. It shall be planned and supervised by the Convention Committee, the Governor, and the Governor-Elect.
- D. Proposed Convention Rules
 1. The convention shall be composed of delegates as set forth in the

International Bylaws Article VII, Section 4.

2. To be accredited by the Credentials Committee and eligible to vote on convention business, delegates must have registered at the convention, paid the registration fee, and produce such credentials as may be required by the Board of Directors.
3. Each club is entitled to one vote for each 10 members or major fraction thereof (6 or more). Friend of Optimist members are not voting members in their club or the Illinois District.
4. On a voice vote or hand vote each club may use their allowed quota of votes but only with those accredited delegates present. Example – if your club is allowed 5 votes but only has 3 members present then you only get 3 votes.
5. On a written or paper vote the rule is different. Each club that has a registered delegate present shall be allowed their quota of votes without having their full quota of delegates present. Clubs may split their votes but votes must be a whole number. Each club shall select a chairperson to tally the results and report the same.
6. The Credentials Committee shall report at the first session thereof and periodically thereafter or when directed to do so.
7. The program as printed shall be the official program of the convention.
8. Following the report of the Candidate Qualifications Committee, the Governor-Elect shall call for other nominations from the floor and then call for closing of nominations.
9. Following the report of the Candidate Qualifications Committee, there may be nominating speeches on behalf of all candidates.
10. A nominating speech, seconding speech, and candidate's response shall not exceed a total of twelve minutes for each candidate.
11. All voting shall be by voice, hand, or rising vote, at the discretion of the chairperson unless a ballot or roll call vote is ordered by a majority vote of the accredited delegates. In the event a vote by ballot is ordered, the chairperson shall appoint a committee of tellers and name its chairperson. If the balloting has been conducted for the purpose of electing an officer, the chairperson shall announce the name of the winner only and then entertain a motion to destroy the ballots.
12. No accredited delegate shall be entitled to the floor unless he rises, addresses the presiding officer, and gives his name and club affiliation.
13. Debate shall be limited to five minutes a speaker. No accredited delegate shall speak a second time to the same question at the sitting if another accredited delegate who has not spoken thereon rises and asks for the floor.

14. No accredited delegate shall speak more than twice on the same question if anyone objects.
 15. Main motions shall be put in writing when the chairperson directs.
 16. The chairperson shall entertain no motion unless seconded and shall not be open to debate or amendment before the chairperson has repeated it.
 17. The vote on a question, once commenced, shall not be interrupted except to ask that the chairperson restate the question.
 18. An accredited delegate may change his vote from one side to the other provided he rises and asks for the floor promptly and before the chairperson declares the result final.
 19. No more than two (one primary, one secondary) amendments to any question shall be pending at one time, but after disposal of one or both of them, other amendments may be proposed.
 20. The convention may, to expedite the handling of business, limit as it chooses the time or the number of speakers for each side on any question or the total time for debate, by a two-thirds vote.
 21. The chairperson of committees may make partial reports during lull periods of the convention unless otherwise ordered.
 22. These convention rules shall be adopted by majority vote, but they may be suspended, rescinded, or amended after their adoption by a two-thirds vote.
 23. The rules as adopted for the current convention shall be the proposed rules for the convention in the following year.
 24. In the absence of a specific convention rule or a specific printed Optimist International Bylaw, ROBERTS RULES OF ORDER shall govern the deliberation of this convention.
- E. Elections
1. Elections shall be held in accordance with Optimist International rules governing same.
 2. In the event of nominations from the floor for Governor-Elect, there shall be a fifteen (15) minute recess in which time the Candidate Qualifications Committee shall determine the candidate(s) eligibility.
 3. To be eligible to be elected as Governor-Elect, a person must be a member in good standing and have served a full term as Club President. The Governor-Elect automatically becomes Governor on October 1 the year following their term as Governor-Elect.
- F. Registration. All District officers, club officers, and members are required to register on the official form supplied by the District and pay the registration fee for all District Board of Directors meetings and the convention. All registered persons shall check in personally at the meeting and official attendance records will be made from these

check-in forms.

IV. Finances

A. Finance Committee

1. The Finance Committee shall present to the first quarter District Board of Directors meeting a proposed budget for approval.
2. The Finance Committee may adjust items within the framework of the budget to suit the needs of the District, so long as the total budget is not altered or major categories appreciably changed.
3. The Finance Committee shall include in each annual budget a reserve in the amount of \$3500. This reserve shall be restricted to transfer and use by the incoming administration for expenses chargeable to the next fiscal year. Moneys will be available for transfer not later than the annual District Convention.
4. The Finance Committee shall review the adequacy of the Illinois District dues annually and report their findings and recommendation at the third quarter Board of Directors meeting.
5. The Finance Committee shall meet quarterly to review the status of current District finances and budgets.
6. An annual review of the prior fiscal year shall be given to the District Board of Directors by December 31.

 - b. Mileage: Mileage will be reimbursed at the rate of 28 cents per mile.
 - c. Lodging: Eligible attendees will be reimbursed for one night of lodging for Conferences and the Convention. A maximum of two nights lodging is allowed if the attendee is required to travel more than 100 miles each way.
 - d. Meals: Only lunch and dinner served at the Conferences or Convention will be reimbursed.
 - e. Registration: Registration fees for the Conferences and Convention will be reimbursed.
 - f. Dual Office: If a person holds more than one eligible office (i.e., Lt. Governor and Committee Chair) he/she may be reimbursed for only one position.

3. Monies allocated to the Governor, Secretary-Treasurer, Governor-Elect, and Secretary-Treasurer-Designate as expenses for the International Convention may be paid prior to the Convention date, upon approval of the Governor. Lieutenant Governors-Elect will be paid upon completion of Lieutenant Governor required training at the International Convention.
4. Lieutenant Governors and District chairpersons will receive budgeted monies at the discretion of the Governor, with the guidance of the Finance Committee and the District Secretary-Treasurer, upon submitting proper expense vouchers, substantiating the completion of the various requirements of their duties.

C. District Dues

1. District dues will be billed to each club quarterly, using membership counts from September 30, December 31, March 31, and June 30. Illinois District History and Past Governors

The first Optimist club is recorded to have been formed in Buffalo, New York in 1916. At that same time clubs were also forming in Indianapolis, Indiana, and Syracuse and Rochester, New York, among other places.

In May of 1917 the first conference of these Optimist clubs was held at the national headquarters in Indianapolis. Thirteen (13) clubs attended that conference, and among those thirteen were the Optimist Clubs of Chicago, Peoria, and Springfield, Illinois.

In 1919 the first convention was held in Louisville, Kentucky, and on June 19th the association of clubs that is known today as Optimist International was formed. In 1922, the convention approved the first official emblem of Optimist International and adopted the “Optimist Creed” as our organization’s official creed.

We can trace the roots of the Illinois District to the beginning in 1917. From 1919 through 1964, clubs in Illinois were part of many separate sections and districts (districts 8, 12, 17, and 23). A lot of information has been lost in history, though the Optimist International staff has been able to provide some information. Many past governors are not listed below simply because the information has been lost.

In 1964 our clubs became members of two new and distinct districts as Optimist International began to use names for districts rather than just numbers. Our clubs became part of either the Northern Illinois District or the Central Southern Illinois District.

In 1970 the two separate districts were combined to unite all the clubs in the state into one Optimist District—the Illinois District. This district retained the identification number of 12.

Our rich history can be traced by the members who have served as Governor of our district or its predecessors. Three of our past Governors are counted among those who have served as President of Optimist International: James W. Chilton, Harlington Wood, and Gene Sternberg.

Listed below are our governors for all years the information is available.

New Member Induction and Pledge

Ladies and Gentlemen: This occasion marks the beginning of your opportunity for participating, through fellowship and friendship, in the activities of your Club on behalf of your community. Through your personal service as an Optimist you will have the opportunity to help re-pay, in various ways, the debt we all owe our community for the privilege of enjoying its many benefits. You will learn the Optimist Creed and its significance, a genuine challenge to the life of all men and women. You will be inspired by our slogan, "Friend of Youth".

In all these things we seek to make our indelible mark on the life, progress and welfare of our communities, our nation and our peoples. But only by your regular attendance at meetings and active participation in your Club's activities can you be rewarded with a fuller life and the self-satisfaction that comes to each of us as we serve our community and its youth.

We therefore ask, as we admit you to the fellowship of Optimism, if you will join our company, our friendship and our fellowship, in an effort to strive toward these objectives. If you do, please answer, "I DO".

I _____ do hereby pledge / that I will do my best /at all times / to live by the spirit of the Optimist Creed / and I will also give of my time /and talents / as generously as possible / to support the activities / of my Club, /my District /and Optimist International.

Now, being aware of the responsibilities, opportunities and privileges available to you as a member, on behalf of the officers and members of the Sponsor Club, the Illinois District and Optimist International, I am happy to offer you my hand of Optimist Friendship. We are happy to have you as a member.

Your President _____ will present you with your new member kit and your membership pin. President _____ will then review the expectations of each new member joining our Optimist Club.

(If the President is conducting the Induction, the new member's sponsor could present the new member kit and their membership pin.)

The Optimist Creed

Promise yourself...

- ♦ To be so strong that nothing can disturb your peace of mind.
- ♦ To talk health, happiness and prosperity to every person you meet.
- ♦ To make all your friends feel that there is something in them.
- ♦ To look at the sunny side of everything and make your optimism come true.
- ♦ To think only of the best, to work only for the best, and to expect only the best.
- ♦ To be just as enthusiastic about the success of others as you are about your own.
- ♦ To forget the mistakes of the past and press on to the greater achievements of the future.
- ♦ To wear a cheerful countenance at all times and give every living creature you meet a smile.
- ♦ To give so much time to the improvement of yourself that you have no time to criticize others.
- ♦ To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
