

Illinois District Optimist

Land of Lincoln Bulletin

March 2022

Hello Illinois District Optimists:

Burr....it's cold outside but warm in this Optimist's heart. I don't know about you but I'm ready for some warmer weather. While I love snow, a little goes a long way!

I hope you have been busy in your clubs designing and carrying out programs that enhance your community. The Illinois District has decided to "sweeten" the pot and give away ***3 grants at the April 3rd Quarter Conference***. These grants in the amounts of \$500, \$300 and \$200 are designed to help clubs with a new or existing service project that must be carried out between Jan 1 - Dec 31, 2022. More information on the qualifications and application are included in this bulletin so read carefully and get your application in by the deadline.

Speaking of the 3rd Quarter District Conference, it will be held at the beautiful Holiday Inn & Suites in East Peoria, April 29 - 30, 2022. This conference will feature a rousing mini-corn hole tournament on Friday night followed by a jam-packed Saturday program where we will have the finals of the Oratorical Contest, Essay Contest and Poster Contest. In addition there will be training and a special hands-on youth service project for deserving Peoria-area youth. Registration information will be sent in an email in March so you're inbox for details. Information about the conference will be posted on the Illinois Optimist website - www.illinoisoptimist.org. I hope to see you at the conference.

At our 1st quarter IL District Conference, we kicked off the year of "Living the Creed" - my 2022 theme since *it is the 100th anniversary of the adoption of the creed* - with a session that looked at the first 3 tenets of the creed. At our 3rd Quarter Conference we will look at the next 4 tenets and how we can truly live these wise words every day to enhance our lives. I hope you have taken the time to discuss the Creed tenets in your club meetings this winter. I assure you that by "Living the Creed" this club year you'll see opportunities others miss.

As I stated in the last bulletin, my goal this club year is to physically visit each club within the Illinois District. Since late September, I've had the opportunity to travel around Illinois, visiting with thirteen Illinois Optimist Clubs, sharing my thoughts and goals. I have a lot of clubs yet to visit and if I haven't contacted your club yet about attending a meeting or event, please call, text or email me. (618) 977-7787 or cschlitt54@gmail.com I love visiting our wonderful club members and having the opportunity to see first-hand all the exciting projects that Optimists are conducting across the state.

Yours in Optimism, Carol Schlitt, Illinois, Optimist Governor 2021-22

Moline Breakfast Optimist Club Partners with Project NOW Head Start

The Breakfast Optimist Club partnered with Project NOW Head Start in a couple of amazing projects this winter.

In December, we met the Head Start teachers to shop for coats, shoes, and clothes for all the students at four Head Start locations in Moline, East Moline, and Colona. Every member who showed up to be part of this shopping extravaganza had a great time! In total, we provided coats, shoes, and clothes for 209 pre-school students at Head Start and the Jefferson Early Learning Center.

On February 1 we kicked off 100 Head Start Readers, with club members Bob Clancy and Sandi Schmidt reading to Head Start preschoolers on day 1 of this 3-month project. Breakfast Optimist Club members, city leaders, local news personalities, and other volunteer groups are all coming together to read to the students. It's always a great day when we can share our love of reading with these young students!

From Illinois District Foundation Representative, Rich Gaebel

Hello Fellow Optimists.

I know the past years have been tough for all of us, including our family and friends. It has been tough for our clubs and the Optimist International Foundation and definitely the youth in our communities. I know that you and your clubs dug deep to help the Foundation as well as you could. The Optimist Foundation did not forego any Optimist Programs. All programs were funded as before the pandemic.

What we need to do is dig deep and do what we can. If you can donate to Dime a Day, that's one dime each day amounting to \$36.50 that would be great. There continue to be ways to contribute as a member and a club.

Please review www.optimist.org foundation tab, to see what the program does and is planning to do, that would be great. Ask your club Foundation Representative what you can do to help to spread the word. Thank you!

Rich Gaebel, Optimist International Illinois District Foundation Representative

Leaders Tip: Time to Preview and Use the New LMS System

Are you a club president, secretary-treasurer or foundation rep in your club? A new Learning Management System (LMS) was introduced in 2020 as a leadership training tool for Optimist club officers and district leaders as a way to provide consistent and high-quality content. Use it to access short videos and step by step suggestions to keep your club current, organized, efficient and energized.

From: Cheryl Farwell-Duckworth, President, Chillicothe Optimist Club

This year has been quite challenging for our club with COVID shutting down schools and businesses part time. We had to table several projects but we were able to *do some creative fundraising.*

We had a speaker from The Sanibel Optimist Club in Florida, Randy Carson, who shared many of their fundraising ideas. One of those ideas was a “Christmas Bonanza”.

One of our members, Sherry Adams, ran with this idea and approached all of our local businesses. She asked them to donate gift cards in any denomination for this Bonanza. We partnered with our local Lion’s Club and Rotary Club for this event. Each club was struggling with fundraising so we approached them with great optimism!

In the end, 414 tickets were sold in total which netted \$4,140. The

Optimist Club's portion was \$2,680. This was roughly a one month last minute project!

We are discussing ways to assist our local youth other than scholarships. One suggestion is to help with scholarships for low income youth at our local health club. Time will tell how our youth will benefit, but I was amazed at how much was raised in a last minute fundraiser!

Optimistically yours, Cheryl Farwell-Duckworth, President, Chillicothe Optimist

ACH Payments for Club Dues

By Sandi Schmidt, District Secretary-Treasurer

Here's a great idea to save your club's Treasurer time, while reducing the effort required to pay your Optimist International and District Dues – sign up for ACH Payments today. My club, along with several other clubs in Illinois, use this method and we're very happy with how it works!

An article in the Winter issue of The Optimist magazine detailed the advantages of using the Automated Clearing House (ACH) payment system to pay your club's dues and new member fees. You can check out that article on page 19 in the online magazine [https://issuu.com/optimist551/docs/winter 2022 magazine final.ndd?r=sMmM3NDQ2MTA5MDk](https://issuu.com/optimist551/docs/winter_2022_magazine_final.ndd?r=sMmM3NDQ2MTA5MDk).

Making the switch to ACH Payments means your payments for dues and new member (CRA) fees will be paid automatically. No need to worry about missing a payment or sending it in late. No more checks to write for dues or stamps to mail the payments. It's simple and it works well.

When you use this payment method, your Treasurer receives an email with the club's dues invoice, showing the amount due for the quarter. Then about 5 days later, the money is automatically withdrawn from the bank account your club authorized. Optimist International deposits your club dues amount in our District Bank Account and sends a report to the District Secretary-Treasurer of the payments that have been made.

**To enroll in ACH Payments, simply follow these steps:
Go to www.optimist.org.
Select Member Resources.
Under Administration & Tax Information, select ACH Debit.
Complete and submit the applicable Authorization Agreement.**

If you have any questions about the ACH Payment enrollment process, please email ar@optimist.org. If you have questions about how this all works, you can contact me at schmidtsandi@gmail.com or call me at 309-236-1342.

From Howard Hirschbaum and Tanya Labuda, Deerfield Optimist Club

With a little help from our Friends in Des Plaines our Tree Sale was a success! The Deerfield Optimist Club's main fund-raiser, that has taken place since 1978, was "back in business" in 2021 after being scuttled in 2020 due to the pandemic. The club was thrilled to be selling trees again and truly enjoyed the opportunity to visit (safely, of course) with so many customers that have purchased trees from us "forever."

The Club sold more than 425 trees in just three weeks! Mid summer, it looked like we had lost our vendor, when after much consideration and a reach out to our friends at the Des Plaines Club, we piggy backed our order on theirs Ending up with incredibly fresh, gorgeous trees from Wisconsin and Nova Scotia.

We could not have made so many of our happy neighbors without the support (muscle) of the Deerfield High School Wrestling and Tennis Teams, the Deerfield Parks Foundation, and the Deerfield Park District. Additionally, the support and volunteer spirit of our members simply “topped the cake!”

On our third weekend outside, we participated in Winterfest with the Village of Deerfield, and had a great day introducing the Optimist Club along with our sale. We’re committed to starting early to make plans for next season’s tree lot, so if you need a tree for Christmas, 2022, come see us in Deerfield!

From: John Good, President Glenview Club, District Leadership Chair

Now's the time to complete the LMS System

March 31st is the deadline for club president's, secretary/treasurer's and club foundation reps to complete the online Learning Management System (LMS) to be eligible for Honor Club status and awards. If your club is trying for the President Patsy's Presidential Incentives, you'll need to complete the LMS by March 31st.

It's easy to complete this requirement – simply login in to the syste which can be accessed through the Optimist International website (www.optimist.org) under Member Resources – Leadership Development.

The direct link is <https://www.optimist.org/member/learning-management.cfm>

Login in, using the credentials sent to you this fall by OI and complete the modules for your club leadership position.

Even if you completed the modules last club year, if you still hold the same position you need to take them again. The modules do change from year to year so there's always something new to learn about your position.

Freeburg Optimists Recognize Burt Wikgren on International Optimist Day

With Thursday, February 3rd being International Optimist Day, the Freeburg Optimists decided to recognize one of their own members, Burt Wikgren, as the epitome of an optimist.

Burt joined the Northwest Belleville Optimist Club in 1973 and was elected president of the club the next year. He joined the Downtown Belleville Optimist Club in 1974 and became involved at the District level, first serving as a Lt. Governor. Over the years he has served as a Lt. Governor for several zones. In 1995 he was elected Governor of the Illinois District and led 96 clubs across the state.

Burt joined the Optimist International staff in St. Louis as a New Club Building Chairman. In his years as a field representative, he has organized over 100 new clubs throughout the United States, Canada, Mexico and the Caribbean.

One club Burt organized with the Downtown Belleville Optimist Club as the sponsoring club was the Freeburg club in 1988. He joined the Freeburg Club as a member 2008 and is still a member today.

“Burt is the quintessential Optimist,” states Rita Baker, president of the Freeburg Optimist Club. “He along with his wife, Marilyn who is also a member of the Freeburg Optimist Club, live and breathe optimism,” added Carol Schlitt, a member of the club who is serving this year as Governor of the Illinois District. “No matter what, Burt always sees the sunny side of everything,” said his wife, Marilyn.

International Optimist Day is celebrated throughout the world annually on the First Thursday of February by members of Optimist International. This is a day where Optimist Clubs and members are recognized and celebrated for all they do year-round to promote efforts in bringing out the best in youth, our communities, and ourselves.
